It is not claimed for this story that it gives a full and perfect history of the sufferings of the Union prisoners in the South during the war; but the writer has endeavored to furnish such descriptions and incidents as will give the reader a true picture of Rebel Prisons, and the means and methods of living or dying in them. In doing this, he has relied on his memory; selecting those facts, and trying to paint those pictures which are clearest and plainest in his own mind. He has not tried to color these descriptions they would not bear it; but has told them in plain language, just as they seem to him after a lapse of fifteen years.
