Schottenfreude: German Words for the Human Condition Ben Schott

Ever thought, *There should be a German word for that?* Well, thanks to the brilliantly original mind behind *Schott's Original Miscellany*, now there is. *Schottenfreude* is a unique, must-have dictionary, complete with newly coined words that explore the idiosyncrasies of life as only the German language can. In what other language but German could you construct *le mot juste* for a secret love of bad foods, the inability to remember jokes, Sunday-afternoon depression, the urge to yawn, the glee of gossip, reassuring your hairdresser, delight at the changing of the seasons, the urge to hoard, or the ineffable pleasure of a cold pillow? A beguiling, ideal gift book for the *Gelehrte* or anyone on your list—just beware of rapidly expanding (and potentially incomprehensible) vocabularies.
