The Way of Wyrð Brian Bates

The compelling cult classic, now reissued in a brand new edition with a new introduction by Brian Bates. This bestselling fictionalized account of an Anglo-Saxon sorcerer and mystic is based on years of research by psychologist and university professor Brian Bates.

Sent on a mission deep into the forests of pagan Anglo-Saxon England, Wat Brand, a Christian scribe, suddenly finds his vision of the world turned upside down. The familiar English countryside is not what it seems; threatening spirits, birds of omen and plants of power lurk in this landscape of unseen terrors and mysterious forces. With Wulf, a sorcerer and mystic, as his guide, Wat is instructed in the magical lore of plants, runes, fate and life force until finally he journeys to the spirit world on a quest to encounter the true nature of his own soul.

An authentic and deeply compelling insight into the spiritual world of the Anglo-Saxons, it has inspired thousands of people to learn more about the ancient northern tradition. A spiritual classic!
