Breakfast Basics of WLS: Why you must eat a high protein breakfast every day. (LivingAfterWLS eBook Shorts 4) Kaye Bailey

In this LivingAfterWLS eBook, we take a highly focused look at breakfast, the most important meal of the day. Why is it important? What are the high protein options? What about hectic mornings? We provide options for picky eaters; suggest out-of-the-box meals featuring the flavors of your favorite foods; find a superb use for last night's left-overs; place emphasis on fresh clean ingredients; reveal fail-proof preparation methods for cooks of all skill levels; and give you warm and cold breakfast meals to savor.

You will find something exciting to start your day no matter your schedule, kitchen skills, or budget! This all new breakfast companion focuses on variety, quality ingredients, protein options: All hot topics in this Volume 4 of the popular LivingAfterWLS eBook Shorts series. The recipes are supported with 12 informative articles featuring the current scientific beliefs in health, weight management, and bariatric nutrition. Learn more than a formula: learn why certain ingredients and meals work to support your weight management goals!

Don't start another day without this knowledge in your toolbox for successful weight management after bariatric surgery.

What's in it: Specific recipes and methods to start the day –even on the run— with a healthy high protein meal that supports your goals of weight management and balanced health following all bariatric procedures. From breakfast beverages to quick-fix microwave eggs this guide is sure to please even picky eaters and take away the guesswork out of the most important meal of the day. Over 60 all-new recipes developed with the same attention to nutrition, flavor, and ease of preparation that you have come to expect from LivingAfterWLS.

Who it's for: Patients of all bariatric surgical procedures will benefit from an improved repertoire of morning recipes to support their high protein diet prescribed for weight loss and lasting weight management after surgical intervention for the treatment of obesity.

Over 60 never-before published recipes. Put something new on your plate today! Recipes are triple tested and approved by Kaye Bailey and the LivingAfterWLS extended family including bariatric patients and people with their original organic stomach. We shared these recipes with our family: you can share them with yours. Let's get cooking!

Do you want to try this extraordinary spending spare time activity?

James Matter:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library in order

to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Breakfast Basics of WLS: Why you must eat a high protein breakfast every day. (LivingAfterWLS eBook Shorts 4) can make you sense more interested to read.
