La joven de la perla / Girl with a Pearl Earring (Spanish Edition) Tracy Chevalier

La modelo que utilizó Johannes Vermeer en uno de sus cuadros más famosos y admirados es un misterio que Tracy Chevalier tomó como punto de partida para escribir una de las mejores novelas históricas de nuestro tiempo: *La joven de la perla*. En ella Griet, una muchacha holandesa de dieciséis años, entra a formar parte del servicio del afamado pintor Johannes Vermeer. Allí, seis niños malcriados campan por sus respetos bajo la volátil mirada de Catharina la mujer del pintor, su madre Maria Thins, y un ama de llaves Tanneke leal a las dos mujeres que regentan la casa. Griet tiene una manera particular, llena de devoción, de mirar lo que la rodea. Una sensibilidad que, a pesar de la distancia que marca la educación y la clase social, coincide con la de Vermeer. Algo que él ha percibido y que le ha llevado a introducirla en su mundo de artista. La intimidad que crece entre ambos, los rumores que proceden de la envidia, la lujuria de Van Ruijven, mecenas del pintor, y los celos de las mujeres harán que, tarde o temprano, llegue el escándalo.

«Tracy Chevalier es una narradora sutil y sabia. Sabe que es necesario crear personajes llenos de vida para seducir al lector.»

ElMundo

«Una joya de novela.»
