## Radical Revisions: REREADING 1930S CULTURE

Radical Revisions brings together some of the best and most exciting recent work on the literature and popular culture of the 1930s. Contributors examine a wide range of texts, from classics such as Tillie Olsen's *Yonnonidio* to popular icons such as King Kong and largely ignored novels such as Josephine Herbst's *The Wedding*. Drawing on recent theories of gender, class, race, ethnicity, and representation, they reexamine texts previously brushed aside as artistically uninteresting or too popular to be taken seriously.
