These were unique, complex, personal and professional relationships between master director John Ford and his two favorite actors, John Wayne and Ward Bond. The book provides a biography of each and a detailed exploration of Ford's work as it was intertwined with the lives and work of both Wayne and Bond (whose biography here is the first ever published).

The book reveals fascinating accounts of ingenuity, creativity, toil, perseverance, bravery, debauchery, futility, abuse, masochism, mayhem, violence, warfare, open- and closed-mindedness, control and chaos, brilliance and stupidity, rationality and insanity, friendship and a testing of its limits, love and hate--all committed by a "half-genius, half-Irish" cinematic visionary and his two surrogate sons: Three Bad Men.
