Beautiful young Andrea travels from Los Angeles to her ancestral home in England to meet her relatives and confront her mysterious heritage. But from the first moment she steps foot in her grandmother's cold Victorian house in Warrington, she senses an awesome, unsettling presence. She knows that a rendezvous awaits her: a terrifying journey into the past, and a shattering encounter that will mark and change her forever. Andrea soon learns how terribly right her instincts have been. Waiting for her is Victor Townsend, a man who reaches out to embrace her from beyond the grave, a man for whom she hungers—even though she knows of his past evil deeds. But Andrea also discovers the lingering horrors of the old house, its carefully buried secrets, and a timeless, tragic passion still burning within its aging walls.
