"I fight dirty, I kill for a living and I'm not capable of being faithful."

The words might come straight from Major Adam Flint's mouth, but they certainly don't describe the man who saved vulnerable Rose's life. Yes, Flint is illegitimate, a roughened soldier and an incorrigible rake—but Rose has never met a man so defined by honor.

Who else, when faced with a lady rendered memoryless by the traumas of war, would resist the intense attraction that burns between them? Rose might not know her own name, but she knows her heart—and her heart wants Flint!
