Doctor Who and Philosophy: Bigger on the Inside (Popular Culture and Philosophy)

Doctor Who and Philosophy: Bigger on the Inside (Popular Culture and Philosophy)

In *Doctor Who and Philosophy*, a team of mostly human philosophers (who are also fans) looks at the deeper issues raised by the Doctor's mind-blowing adventures. They discuss, among other topics, the Doctor's philosophy of science, the ethics of a universe with millions of intelligent species, what makes one life-form more important than another, whether time travelers can change history, and how the *Doctor Who* TV show is changing the world we live in. The chapters draw freely on both the classic series (1963–1989) and the new series. The book includes a collection of entertaining and insightful quotes from *Doctor Who* plus a complete list of episodes and companions.
