## **Galatians (Paideia: Commentaries on the New Testament)** Peter Oakes

In this volume, respected New Testament scholar Peter Oakes offers a translation and reading of Galatians as presenting a gospel of unity in diversity in Christ. He shows that Paul treats the Galatians' possible abandonment of his gospel as putting at stake their fidelity to Christ. As with other volumes in the Paideia series, this volume is conversant with contemporary scholarship, draws on ancient backgrounds, and attends to the theological nature of the text. Students, pastors, and other readers will appreciate the historical, literary, and theological insight offered in this practical commentary.
