## **Parallax** Steven Holl

What makes Steven Holl one of the most celebrated architects working today? As we learn in *Parallax*, his success comes from his sculptural form making, his interest in the poetics of space, color, and materiality, and his fascination with scientific phenomena. Holl reveals his working methods in this, his biggest and most ambitious book yet on his work—part treatise, part manifesto, and part, as Holl writes, "liner notes" to fifteen recent projects, some never before published.

*Parallax* traces Holl's ideas on topics as diverse as the "chemistry of matter" and the "pressure of light," and shows how they emerge in his architectural work: "strange attractors" at Cranbrook, "porosity" in his new dormitory at MIT, "tripleness" in the new Bellevue Art Museum in Washington. The result is a book that provides a personal tour of the work of one of the world's most esteemed architects.

*Parallax* is designed by Michael Rock of the award-winning design firm 2x4. It is our fourth book on Holl's work, following *Anchoring*, *Intertwining*, and *The Chapel of St. Ignatius*.

### **From reader reviews:**

#### **Randy Scott:**

What do you consider book? It is just for students since they are still students or the item for all people in the world, the particular best subject for that? Only you can be answered for that issue above. Every person has distinct personality and hobby for each other. Don't to be pushed someone or something that they don't want do that. You must know how great and important the book Parallax. All type of book can you see on many options. You can look for the internet methods or other social media.

#### **Betty Edmond:**

Book is to be different for every single grade. Book for children right up until adult are different content. As we know that book is very important for people. The book Parallax had been making you to know about other information and of course you can take more information. It is quite advantages for you. The reserve Parallax is not only giving you a lot more new information but also to become your friend when you really feel bored. You can spend your spend time to read your e-book. Try to make relationship while using book Parallax. You never feel lose out for everything in case you read some books.

#### **Jacqueline Harding:**

As people who live in the actual modest era should be up-date about what going on or data even knowledge to make these people keep up with the era that is always change and move ahead. Some of you maybe will update themselves by reading books. It is a good choice for yourself but the problems coming to a person is you don't know which you should start with. This Parallax is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

#### **Jodie Kahl:**

Your reading 6th sense will not betray an individual, why because this Parallax book written by well-known writer whose to say well how to make book which can be understand by anyone who else read the book. Written with good manner for you, leaking every ideas and composing skill only for eliminate your personal hunger then you still skepticism Parallax as good book not just by the cover but also from the content. This is one publication that can break don't evaluate book by its protect, so do you still needing another sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.
