The Hidden Geometry of Life: The Science and Spirituality of Nature (Gateway)

Karen L. French

The Hidden Geometry of Life: The Science and Spirituality of Nature (Gateway) Karen L. French
Encompassing nature, science, art, architecture, and spirituality, and illustrated with over 700 photographs and line drawings, *The Hidden Geometry of Life* illuminates the secret underpinnings of existence. In her trademark easy-to-understand style, mathematician Karen French shows how sacred geometry permeates every level of being, manifesting itself in simple shapes and numbers, music and sounds, light and color, even in the mysteries of creation itself. But these geometrical archetypes are more than the building blocks of reality: they are gateways to profound new levels of awareness.
