When Rose is sent to do surveillance on a rogue alpha working in the underground cage fighting circuit, she isn't expecting Hawes: a pretty boy with the looks of an adonis and the ability to easily crush opponents twice his size. She also isn't expecting him to be cocky, conceited, and too independent for his own good. Not to mention unwilling to listen to Rose when she tells him he's in danger.

But when Rose is the one threatened, she finds out there's more to the irritating alpha male than she thought. For one, he'll do anything to protect her. For two, he drives a Ferrari and owns a mansion. And for three, he sets her blood on fire when he kisses her.

Now if only they can escape the people chasing them long enough to figure out if there's something between them that's really worth fighting for.

Author's note! Alpha Rogue was originally released as a three-part serial about an MMA fighting werewolf and the sexy secret agent he falls for. All parts are bound here together for the first time in a full set at a special price for fans.
