The end of his marriage leaves Derek Newton hurt and confused, but it also grants him the opportunity to embrace who he really is: a gay man. While navigating his new life with the help of friends in the local GLBT community, Derek meets Marshall Kenworthy, a man who embodies all his fantasies.

To Derek's surprise, Marshall is as interested as he is, and they make a date. But a failure to communicate leads to a misunderstanding. The party they attend is not what Derek expected—at all—but Marshall, ever the gentleman, makes sure Derek feels comfortable. As they get to know each other, they see how much they have in common. Derek begins to heal and soon realizes he might thrive in this new chapter of his life—and it just might be with Marshall by his side.
