John Piper and Justin Taylor compilaron las obras de ocho autores que abordan el tema de la soberanía de Dios sobre sufrimiento humano. Este no es un libro académico, sino un libro escrito por personas que sufrieron de dolores en su vida y que desean compartir con los lectores las enseñanzas que recibieron de Dios en medio de los momentos desagradables en sus vidas. Este libro surge a partir de experiencias reales y aplica las Escrituras al mundo en que vivimos. Servirá de motivación a los cristianos a vivir una vida más llena de la gracia de Dios.

John Piper and Justin Taylor bring together the works of eight authors who address the issue of how God's sovereignty relates to human suffering. This is not an academic book, it's a book written by people who have suffered great pain in their lives and want readers to know what God has taught them in the midst of the painful messiness of real life. This book grew out of practical experience and applies Scripture to the world where we live. It will encourage Christians to live more consistently by God's grace.
