On My Own

Diane Rehm

On My Own Diane Rehm

In a deeply personal and moving book, the beloved NPR radio host speaks out about the long drawn-out death (from Parkinson's) of her husband of fifty-four years, and of her struggle to reconstruct her life without him.

With John gone, Diane was indeed “on her own,” coping with the inevitable practical issues and, more important, with the profoundly emotional ones. What to do, how to react, reaching out again into the world—struggling to create a new reality for herself while clinging to memories of the past. Her focus is on her own roller-coaster experiences, but she has also solicited the moving stories of such recently widowed friends as Roger Mudd and Susan Stamberg, which work to expose the reader to a remarkable range of reactions to the death of a spouse.

John's unnecessarily extended death—he begged to be helped to die—culminated in his taking matters into his own hands, simply refusing to take water, food, and medication. His heroic actions spurred Diane into becoming a kind of poster person for the “right to die” movement that is all too slowly taking shape in our country. With the brave determination that has characterized her whole life, she is finding a meaningful new way to contribute to the world.

Her book—as practical as it is inspiring—will be a help and a comfort to the recently bereaved, and a beacon of hope about the possibilities that remain to us as we deal with our own approaching mortality.

From reader reviews:

Thomas Llanos:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each publication has different aim or maybe goal; it means that book has different type. Some people experience enjoy to spend their a chance to read a book. They are reading whatever they have because their hobby will be reading a book. What about the person who don't like looking at a book? Sometime, person feel need book when they found difficult problem as well as exercise. Well, probably you will need this On My Own.

William Emmer:

What do you concentrate on book? It is just for students as they are still students or the idea for all people in the world, the particular best subject for that? Simply you can be answered for that concern above. Every person has various personality and hobby for every single other. Don't to be compelled someone or something that they don't would like do that. You must know how great and important the book On My Own. All type of book could you see on many resources. You can look for the internet methods or other social media.

Irma Huges:

The feeling that you get from On My Own is the more deep you digging the information that hide into the words the more you get interested in reading it. It doesn't mean that this book is hard to be aware of but On My Own giving you thrill feeling of reading. The writer conveys their point in selected way that can be understood by means of anyone who read the item because the author of this guide is well-known enough. That book also makes your own personal vocabulary increase well. That makes it easy to understand then can go to you, both in printed or e-book style are available. We suggest you for having this On My Own instantly.

Phillip Barker:

What is your hobby? Have you heard which question when you got pupils? We believe that that query was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you know that little person similar to reading or as reading become their hobby. You need to understand that reading is very important in addition to book as to be the factor. Book is important thing to increase you knowledge, except your own teacher or lecturer. You discover good news or update concerning something by book. Amount types of books that can you go onto be your object. One of them is actually On My Own.
