**Reflexive Methodology: New Vistas for Qualitative Research** Mats Alvesson, Kaj Skoldberg

**Reflexive Methodology** established itself as a groundbreaking success, providing researchers with an invaluable guide to a central problem in research methodology ? how to put field research and interpretations in perspective, paying attention to the interpretive, political, and rhetorical nature of empirical research. Now thoroughly updated, the **Second Edition** includes a new chapter on positivism, social constructionism, and critical realism, and offers new conclusions on the applications of methodology. It provides further illustrations and updates that build on the acclaimed and successful *First Edition*.
