??What sort of individual is the prejudiced person?

This book determines scientifically what distinctive personality traits characterize the phenomenon of prejudice. "The Authoritarian Personality" mobilizes the methods and skills of the different branches of the social sciences in one common research program.

Experts in the field of social theory and depth psychology, content analysis, clinical psychology, political sociology and projective testing have pooled their methods and resources. Working in the closest cooperation, they here present a detailed picture of the authoritarian type of man.
