The Life and Death of the Spanish Republic: A Witness to the Spanish Civil War Henry Buckley, PAUL PRESTON

In 1940, *The Daily Telegraph* correspondent Henry Buckley published his eyewitness account of his experiences reporting from the Spanish Civil War. The copies of the book, stored in a warehouse in London, were destroyed during the Blitz and only a handful of copies of his unique chronicle were saved. Now, 70 years after its first publication, this exceptional eyewitness account of the war is republished with a new introduction by Paul Preston. *The Life and Death of the Spanish Republic* is a unique account of Spanish politics throughout the entire life of the Second Republic, combining personal recollections of meetings with the great politicians of the day with eyewitness accounts of dramatic events. This important book is one of the most enduring records of the Spanish Republic and the civil war and a monumental testimony to Buckley's work as a correspondent.
