**WARNING:** This is not the actual book *Divergent* by Veronica Roth. Do not buy this *Review* if you are looking for a full copy of this great book. Find out what you can gain from reading Veronica Roth's first novel with the information provided in this comprehensive review. Beatrice "Tris" Prior faces a life-changing choice after turning 16. The futuristic dystopian society demands that each teenager be tested for placement in a new faction for adulthood. Tris must deal with the challenges of leaving her family forever and conforming to new ideals. Set in Chicago, *Divergent* offers a realistic world with references to the former Sears Tower and the city's elevated train system. *Divergent* is packed with action and features elements of suspense and romance to appeal to a diversity of readers. The concepts presented throughout the novel encourage audiences to discuss societal norms and contemplate dystopian governments. *Divergent* is an intellectual read that will stay with the reader for a long time. The first-person narrative by Veronica Roth gives audiences an upfront perspective of Tris' struggle with conformity, as well as her ongoing journey. Read mixed reviews from popular publications while learning about the book's pros and cons. Roth successfully creates a believable world in *Divergent* with multi-dimensional characters that compel readers to follow the series.
