Four Pillars of Destiny: A Guide to Relationships Mr. Jerry King

What makes a relationship lasting? Why do we attract the same types of people over and over again? Why is it so easy for certain people to find love, and so difficult for others? *Four Pillars of Destiny: A Guide to Relationships* will enlighten your understanding of the age-old questions surrounding relationships, attractions and love. Based on the year, month, day and hour of your birth, you will learn to use the ancient Chinese method of Four Pillars to systematically map out the blueprint of your life in matters of health, wealth, career, love and happiness. The inaugural book of its nature in English, this is a manual that details 5 element theory, cosmic flow, combinations, 10 Gods and special stars in the context of romantic relationships. Grounded in real-life case studies, the ins and outs of relationships are explained: when they work, why they don't, how energy factors into attraction, and the basis of successful relationships. You will learn to see the crucial role that energy and flow play in creating opportunities for marriages, affairs and divorces. Birth charts of individuals from all walks of life and locales are explored, including those in the public eye – business innovators, celebrity artists, and political leaders – with verifiable life stories. Note: This is a reprint of the original version of *Four Pillars of Destiny: A Guide to Relationships* with minor changes to the charts and text.
