The Five Ancestors Book 1: Tiger Jeff Stone

“*Tiger* clips along at a lightning pace!”—Eoin Colfer

Twelve-year-old Fu and his temple brothers Malao, Seh, Hok, and Long don't know who their parents were. Raised from infancy by their grandmaster, they think of their temple as their home and their fellow warrior monks as their family. Then one terrible night, the temple is destroyed by an army led by a former monk named Ying, whose heart is bent on revenge. Fu and his brothers are the only survivors. Charged by their grandmaster to uncover the secrets of their past, the five flee into the countryside and go their separate ways. Somehow, Grandmaster has promised, their pasts are connected to Ying's. Understanding that the past is the key to shaping the future, the first book in the series follows Fu as he struggles to find out more and prove himself in the process. Fu's name literally means “tiger,” for he is the youngest-ever master of the fierce fighting style modeled after that animal.

From the Hardcover edition.

Jennifer David:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Five Ancestors Book 1: Tiger can make you sense more interested to read.
