The Monkees: A Many Fractured Image Scot P Livingston

This book is a look at the Monkees' music through playlists devoted each producer's vision of the band at various points in their career. The music that the Monkees released was an amalgamation of the efforts of several different producers. This book is an attempt to root out each production team individual efforts and compile them into playlist that help illustrate what each producer brought to the Monkees project and what they thought their music should sound like.
