Grand Deceptions: Zionist Intrigue in the 20th and 21st Centuries Brandon Martinez

Grand Deceptions is a short, concise study of Israeli involvement in the 9/11 attacks, Zionist influence over US foreign policy (particularly the central role of pro-Israel neoconservatives in dragging the US into the war in Iraq), the fraud of the post-9/11 "war on terror," and other Zionist political intrigues in the 20th and 21st centuries. This book explores the role of Zionists in helping foment World Wars I and II as a means of establishing a Jewish state in Palestine, the extensive collusion between Nazis and Zionists, the hidden history of bloody Bolshevism, and the fabrications and distortions of official World War II historiography, designed to advance the victors' post-war agenda of re-shaping Europe and the Middle East.
