Killing and Dying

Adrian Tomine

Killing and Dying Adrian Tomine

Included on Best of 2015 lists from *Washington Post* and *Publishers Weekly*! A *New York Times* bestseller!

"As a serious cartoonist, one secretly hopes to create "That Book": a book that can be passed to a literary-minded person who doesn't normally read comics; one that doesn't require any explanation or apology in advance and is developed enough in its attitude, humanity and complexity that it speaks maturely for itself... Adrian Tomine's *Killing and Dying* may finally be That Book, and I'm amazed and heartened by it."?Chris Ware, author of *Building Stories*

Killing and Dying is a stunning showcase of the possibilities of the graphic novel medium and a wry exploration of loss, creative ambition, identity, and family dynamics. With this work, Adrian Tomine (*Shortcomings*, *Scenes from an Impending Marriage*) reaffirms his place not only as one of the most significant creators of contemporary comics but as one of the great voices of modern American literature. His gift for capturing emotion and intellect resonates here: the weight of love and its absence, the pride and disappointment of family, the anxiety and hopefulness of being alive in the twenty-first century.

"Amber Sweet" shows the disastrous impact of mistaken identity in a hyper-connected world; "A Brief History of the Art Form Known as Horticulture" details the invention and destruction of a vital new art form in short comic strips; "Translated, from the Japanese" is a lush, full-color display of storytelling through still images; the title story, "Killing and Dying", centers on parenthood, mortality, and stand-up comedy. In six interconnected, darkly funny stories, Tomine forms a quietly moving portrait of contemporary life.

Tomine is a master of the small gesture, equally deft at signaling emotion via a subtle change of expression or writ large across landscapes illustrated in full color. *Killing and Dying* is a fraught, realist masterpiece.
