Excerpt:

As they approached the top of the escalator, Kyle could now hear the sound of people stepping off. Removing the lip lock he had on Leslie's nipple, he moved away, leaving her fully exposed to the world. Leslie quickly covered herself and playfully scolded Kyle for not putting his toys away when he is done.

Leslie is in complete disbelief of what just happened, the sensation that overcame her as she exposed herself so sexually in front of total strangers was beyond any feeling she could describe. It was more intense than she had imagined and she had Kyle to thank for sharing this with her. Kyle was thankful too, his feelings were much the same and he knew it was rare to find a woman so confident and entrusting to share such a sexual encounter with. Leslie was ready for more, and she knew what she wanted to do next!

Having found the perfect shop to reveal her little surprise to Kyle, Leslie proceeded to remove an item from a very high shelf. It was a sight to behold, catching the attention of everyone in the shop, watching that tiny little top rise up on her breasts as she extended her reach. Leslie was playing the tease, having reached for several different items, each time exposing a bit more of herself. Enjoying the show, Kyle kept his distance while Leslie played with the onlookers. She grew a following, men trying to act nonchalant as they watched for another glimpse of her tits.
