Sex and the City

Candace Bushnell

Sex and the City Candace Bushnell

Enter a world where the sometimes shocking and often hilarious mating habits of the privileged are exposed by a true insider. In essays drawn from her witty and sometimes brutally candid column in the New York Observer, Candace Bushnell introduces us to the young and beautiful who travel in packs from parties to bars to clubs. Meet "Carrie," the quintessential young writer looking for love in all the wrong places... "Mr. Big," the business tycoon who drifts from one relationship to another... "Samantha Jones," the fortyish, successful, "testosterone woman" who uses sex like a man... not to mention "Psycho Moms," "Bicycle Boys," "International Crazy Girls," and the rest of the New Yorkers who have inspired one of the most watched TV series of our time. You've seen them on HBO, now read the book that started it all...
