What He Left Behind L. A. Witt

Can you ever have a second first time?

Josh Carver thinks it's just another lunch with his best friend, Michael—until Michael confesses he just turned down a date with his hot veterinarian crush. It seems Michael's abusive ex left him more scarred than Josh realized.

Josh and his husband, Ian, have done their best to help Michael leave his horrific past behind, but even Josh is stunned when Ian suggests that Josh help Michael with his fear of physical intimacy. After all, it isn't like it would be the first time—Josh and Michael were once each other's firsts.

A hesitant first kiss, and Josh and Michael's natural attraction eases the way. But with Michael still balking at the prospect of sex with someone new, Ian steps into the breach.

Everything is fine and dandy until emotions become so entangled, their friendship—and a marriage—could be at risk.

Warning: Contains three guys who will do anything for each other, a hot tub that's always the right temperature, and a cat with an attitude problem.
