**After Midnight (Novella)** Serena Bell

**In *USA Today* bestselling author Serena Bell's tantalizingly sexy novella, two strangers share an explosive New Year's kiss—only to be left wondering whether they'll ever see each other again.**

The clock is ticking down to midnight on New Year's Eve, and all Nora Hart and Miles Shephard can think about is kissing each other—even though they met just minutes before. Then, as fast as Miles enters Nora's life, he's gone . . . and she never even gets the name of the man she thinks might just be “the one.”

Then, one year later, Nora and Miles are reunited. The chemistry between them is just as strong as they remember. But Miles broke her heart once before—and this time around, Nora's not sure whether she can give love a second chance.
