## **Alton Brown's Gear for Your Kitchen** Alton Brown

Dedicated viewers of Alton Brown's acclaimed Food Network show *Good Eats* know of his penchant for using unusual equipment. He has smoked a salmon in a cardboard box, roasted prime rib in a flowerpot, and used a C-clamp as a nutcracker. Brown isn't interested in novelty, he's just devoted to using the best—and simplest—tool for the job.

*Alton Brown's Gear For Your Kitchen* offers honest, practical advice on what's needed and what isn't, what works and what doesn't. For instance: You only need three knives, but they are a lifetime investment. And don't bother with that famous countertop grill—it doesn't get hot enough to properly sear. In his signature science-guy style, Brown begins with advice on kitchen layout and organization, then gets to the lowdown on these cooking elements: Big Things with Plugs; Pots and Pans; Sharp Things; The Tool Box; Small Things with Plugs; Storage and Containment; and Safety and Sanitation.

*Gear For Your Kitchen* is essential for all of Brown's fans as well as anyone who wants a good guide to great kitchen gear. With more than 125,000 hardcover copies in print, this indispensable—and highly entertaining—book is now offered in a paperback edition that every home cook can afford.
