Circles in the Sand

Lisa Bracken

Circles in the Sand Lisa Bracken

"Circles in the Sand" honors and celebrates the inspiring and miraculous teaching qualities of nature through poetry while additionally exploring human emotion through our interactions with time, culture, loneliness, love, loss, war and hope.

Many poems, artfully structured in complex rhyming verse, are illustrated by the poet using stippled ink technique, adding a second interpretive visual dimension to nature's inspiring design.

"Circles in the Sand" contains: 34 poems; and, 15 illustrations.

Two excerpted poems from the book follow ("Circles in the Sand", and "Rhythms"):

"Circles in the Sand" (illustrated)

elusive are the grains of truth
that spiral to a dune
spinning soft into the wind
to sigh a wiser tune
and though I hold the note
of something bolder in my hand
they start as these
but stay
shifting circles in the sand

Rhythms (illustrated)

for every pain
there is a strength
for every tear
resolve

passing...
pausing...
brushing...
bonding...

we first combine...
and then dissolve
