When a phone call at work throws Kandee for a loop, thoughts of her childhood flood her memory bank. As she gets lost in a dream from the past; reality is slowly sneaking up on her. Kandee Blue comes to the realization that men are nothing but headaches at an early age. After a life changing event brings her to her knees, she's left to manage a household. Around the same time, a new guy at school catches her eye, and she develops a talent for eavesdropping, that she'll soon regret. Even though Kandee has never been the type of girl to worry about her appearance, she has a change of heart after her older cousin Trudy moves in. While adjusting to the transitions that have taken place, her head remains in the clouds as she falls hard for the new guy and continues to follow in Trudy's sneaky footsteps. After being crushed so many times; will Kandee be able to live happily after-or- will all of the turmoil from her past turn her into a lonely and bitter old maid?
