She needs this opportunity. He needs her tied to his bed and screaming his name.

Lizzy Wilder is desperate to stay in New York City with her sister Kat, the one person she trusts. Lizzy's only hope is a programming internship at hot tech startup Odyssey. But there's a problem: the company's CEO is enigmatic billionaire Nick Marlowe--the impossibly sexy one night stand she never expected to see again.

Nick wants to pretend their encounter never happened, but Lizzy can't forget it... and soon it's clear that the in-control billionaire wants her too. They begin a secret affair, but it comes at a price: Lizzy's total submission.

What's scary is how much she wants to surrender to him.

When Nick's past comes back to haunt him, threatening everything he's built, Lizzy faces an agonizing choice. Can she give up the man who's stolen her heart? And if she does, can he forgive her?

The Billionaire's Control is a full-length standalone novel with a strong, vulnerable heroine and an alpha male billionaire hero. It was previously published with the title The Billionaire's Need.
