The Silver Sickle Ellie Ann

The end of humanity will come through the Silver Sickle . . . Farissa lives every moment with reckless abandon, for it may be her last. Any day now, the alien goddesses will harvest her and take her to the mysterious Silver Sickle, never to return. She's accepted that. What she can't accept is this new idea of freedom Zel has planted in her head. She'd give almost anything to be with Zel, but how can she run from her destiny if it means putting the whole kingdom in danger? Everyone in the desert kingdom believes the goddesses are immortal, but Zel has invented a way to kill them. Now all he has to do is convince Farissa to run away with him and plant a seed of hope in her heart that she's not destined to die. Little does he know that one seed of hope could change the course of the future.
