This beautiful and comprehensive work illustrates a seemingly inexhaustible selection of the oil and electric light fixtures issued by the Tiffany studios: table and floor lamps, chandeliers and sconces. Also included are the other metalware items produced by the firm, including fancy goods, desk sets, miscellaneous household goods such as toiletry and smoking accessories, inkstands, candlesticks, photograph frames, book ends, tea screens, clocks, tobacco jars, humidors - the list is almost endless. Tiffany Lamps and Metalware is the ultimate pictorial reference work for both enthusiasts and collectors of Tiffany. There is a comprehensive index that cross references the firms original model numbers to the illustrations.
