Handbook of Health Social Work Sarah Gehlert, Teri Browne

The Handbook of Health Social Work provides a comprehensive and evidence-based overview of contemporary social work practice in health care. Written from a wellness perspective, the chapters cover the spectrum of health social work settings with contributions from a wide range of experts. The resulting resource offers both a foundation for social work practice in health care and a guide for strategy, policy, and program development in proactive and actionable terms. Three sections present the material: The Foundations of Social Work in Health Care provides information that is basic and central to the operations of social workers in health care, including conceptual underpinnings; the development of the profession; the wide array of roles performed by social workers in health care settings; ethical issues and decision - making in a variety of arenas; public health and social work; health policy and social work; and the understanding of community factors in health social work. Health Social Work Practice: A Spectrum of Critical Considerations delves into critical practice issues such as theories of health behavior; assessment; effective communication with both clients and other members of health care teams; intersections between health and mental health; the effects of religion and spirituality on health care; family and health; sexuality in health care; and substance abuse. Health Social Work: Selected Areas of Practice presents a range of examples of social work practice, including settings that involve older adults; nephrology; oncology; chronic diseases such as diabetes, heart disease, and HIV/AIDS; genetics; end of life care; pain management and palliative care; and alternative treatments and traditional healers. The first book of its kind to unite the entire body of health social work knowledge, the Handbook of Health Social Work is a must-read for social work educators, administrators, students, and practitioners.

From reader reviews:

William Jimenes:

Nowadays reading books be a little more than want or need but also work as a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want send more knowledge just go with knowledge books but if you want sense happy read one having theme for entertaining for example comic or novel. Often the Handbook of Health Social Work is kind of book which is giving the reader erratic experience.

Luther Keller:

Reading a guide tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. Using book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Lots of author can inspire their own reader with their story as well as their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some research before they write on their book. One of them is this Handbook of Health Social Work.

Ethel Springer:

Do you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Try to pick one book that you find out the inside because don't assess book by its protect may doesn't work here is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside look likes. Maybe you answer might be Handbook of Health Social Work why because the great cover that make you consider with regards to the content will not disappoint a person. The inside or content is definitely fantastic as the outside or even cover. Your reading 6th sense will directly make suggestions to pick up this book.

Amy Terrell:

Many people spending their moment by playing outside having friends, fun activity with family or just watching TV the entire day. You can have new activity to enjoy your whole day by looking at a book. Ugh, do you consider reading a book can actually hard because you have to use the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Smart phone. Like Handbook of Health Social Work which is keeping the e-book version. So , try out this book? Let's view.
