Peer Review Best Practices: Case Studies and Lessons Learned Jonathan H. Burroughs, Robert Marder
Peer Review Best Practices: Case Studies and Lessons Learned will help you transform peer review theory into best practice. This book and CD-ROM set is built on contemporary peer review design and demonstrates how hospitals have used those theories to tackle real peer review challenges. Twenty case studies cover topics ranging from fixing your peer review system to tracking and trending data to reconciling peer review conflicts. This resource will help you measure physician competence, improve physician performance, minimize bias, standardize your peer review process, conduct effective peer review, and comply with Joint Commission requirements such as FPPE, OPPE, core competencies, and more.
