The Full Body Project: Photographs by Leonard Nimoy

The Full Body Project: Photographs by Leonard Nimoy

In his provocative new book, photographer and actor Leonard Nimoy captures images of full-bodied women, some of whom are involved in what is known as the “fat acceptance” movement. “The average American woman,” Nimoy writes, “weighs 25 percent more than the models selling the clothes. There is a huge industry built up around selling women ways to get their bodies closer to the fantasy ideal. Pills, diets, surgery, workout programs. . . . The message is ‘You don't look right. If you buy our product, you can get there.’”

Leonard Nimoy, best known to the public from his role as Spock on *Star Trek*, has been a lifelong photographer. His work has been widely exhibited and is in numerous private and public collections. A previous book of his photographs, *Shekhina*, was published in 2002.

From reader reviews:

Myra Lopez:

Do you certainly one of people who can't read enjoyable if the sentence chained within the straightway, hold on guys this specific aren't like that. This The Full Body Project: Photographs by Leonard Nimoy book is readable by you who hate those perfect word style. You will find the data here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to deliver to you. The writer of The Full Body Project: Photographs by Leonard Nimoy content conveys prospect easily to understand by many individuals. The printed and e-book are not different in the articles but it just different such as it. So , do you even now thinking The Full Body Project: Photographs by Leonard Nimoy is not loveable to be your top collection reading book?

Maribel Davenport:

Why? Because this The Full Body Project: Photographs by Leonard Nimoy is an unordinary book that the inside of the guide waiting for you to snap that but latter it will surprise you with the secret this inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of benefits than the other book have such as help improving your talent and your critical thinking way. So , still want to postpone having that book? If I had been you I will go to the e-book store hurriedly.

Virginia Gauvin:

Are you kind of active person, only have 10 or even 15 minute in your morning to upgrading your mind ability or thinking skill also analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your short space of time to read it because this all time you only find reserve that need more time to be study. The Full Body Project: Photographs by Leonard Nimoy can be your answer since it can be read by you who have those short time problems.

Nancy Ochoa:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's soul or real their passion. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Full Body Project: Photographs by Leonard Nimoy can make you feel more interested to read.
