**Linda Gabriel:**

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
