Internal Conflict and the International Community: Wars Without End? Roderic Alley

This insightful book debates whether conflict within states has emerged as the Achilles Heel of the international community. It covers a wide-range of issues including the roots of internal conflict, small arms supplies, intervention, human rights and international humanitarian law, refugees and post-conflict reconstruction. Internal Conflict and the International Community provides supplementary reading for third level undergraduates, post-graduates and scholars of international relations, comparative politics, development studies, international law and security and defence studies.
