Un mundo sin adultos (Spanish Edition)

Mariano Narodowski

Un mundo sin adultos (Spanish Edition) Mariano Narodowski

¿Qué tienen en común fenómenos actuales como las adolescencias eternas, los alumnos que saben más que sus docentes, o los padres que ya no conciben el esfuerzo por sus hijos como una virtud socialmente reconocida?

Vivimos un tiempo en el que los adultos queremos parecer jóvenes y los más chicos no quieren crecer. Un tiempo de cambios tan vertiginosos que hacen que temamos ser obsoletos, inservibles. Un tiempo en el que hacerse viejo no tiene perdón.

En este libro, Mariano Narodowski recurre a fuentes tan variadas como avisos comerciales, letras de rock, películas, series, textos literarios y trabajos académicos para reflexionar profunda y provocativamente sobre realidades contemporáneas que parecen disímiles -como el bullying y el divorcio exprés-, y para poner en evidencia el desvalor que hoy representa la adultez.

Un mundo sin adultos da cuenta de un profundo cambio de época que no deja inmune ningún rol tradicional, e identifica una paradoja incómoda: tanto hemos reclamado que los niños y los adolescentes fueran liberados del dominio adulto que, finalmente, los adultos nos hemos liberado de ellos.
